PROFESSIONAL SUMMARY

Motivated ICT Applications Development graduate passionate about learning, building software and growing in the tech industry. Through tutoring, academic work and personal projects I have developed skills in JAVA, SQL, Web Development and problem solving, I am looking for an opportunity where I can continue learning while contributing to real world software solutions.

EDUCATION

- Diploma in ICT in Applications Development (2025)
- National Senior Certificate (NSC) Mariazell High School (2019)

WORK EXPERIENCE

Digital Associate — CAPACITI (August 2026-Present)

- Participating in a Software Engineering programme focused on practical software development and emerging technologies.
- Working on collaborative technology projects involving software development, artificial intelligence, research and UX/UI.
- Using AI-assisted development tools as part of the software development process.
- Strengthening technical, problem-solving, communication and teamwork skills through practical projects.

Tutor – Walter Sisulu University (May 2024 – Dec 2024)

- Helped first-year students learn programming and web development.
- Created study materials and gave extra help to students who needed it.
- Supported students to improve their skills and confidence in learning.

Student Assistant – Walter Sisulu University (Jul 2024 – Nov 2024)

- Helped organize academic events and online learning sessions.
- Assisted in keeping online platforms easy to use for students and staff.
- Gave technical support and guidance to improve participation and engagement.

SKILLS

- Programming: Java, VB.NET, HTML, CSS, SQL, Oracle Apex, JavaScript, FIGMA and Python
- Microsoft Office (Word, Excel, PowerPoint, Outlook)
- Problem-Solving & Analytical Thinking
- Ability to Work in a Team
- Computer Literacy

ACHIEVEMENTS AND ADDITIONAL EXPERIENCE

- She Codes Basics
- Introduction to Cybersecurity(Cisco Netacad-2025).
- IT customer support basics(Cisco Netacad-2025)
